

Citizens to Elect Byron De Lear for Congress
4322 Matilija Ave #6, Sherman Oaks, Ca. 91423

December 4, 2006

Dear Ilene,

On behalf of all of us at the De Lear for Congress campaign I want to take this opportunity to sincerely thank you for your generosity. Please know that your gifts and well-wishes were the driving force that kept the wheels of our campaign in motion.

Because of your generosity we were given the ability to cover as much ground as humanly possible through community outreach. Rest assured that we worked tirelessly to inform and engage the people of the 28th Congressional District in our effort to halt the War in Iraq as well as to politically infuse "New Ideas and Living Solutions" to promote a better quality of life for all Americans.

Again, thank you for your support and encouragement. Although we did not win the seat sought in this election, we had the honor of having blazed a trans-partisan path alongside Progressive Democrats and others who share our values and vision for the future. For that we are grateful beyond measure. It is our hope that the spirit of this cooperation will continue to energize future partnerships in our collective efforts to restore democratic principles to our nation.

Sincerely,

Byron De Lear
